## *Serge Gainsbourg Quotes*

Beauty is the only revenge of women.

Better not to think of anything than not to think at all.

Love without philosophizing is like having a quick coffee.

Ugliness is in a way superior to beauty because it lasts.

I know my limits. That's why I'm beyond.

I will compose to decomposition.

If I were God, I might be the only one not to believe in myself.

In a couple, there is always one who suffers and one who pisses off.

Luck is a bird of prey flying blindfolded.

Men make love. Mothers make the miracle.

Physical love is hopeless.

The man created gods. The opposite is yet to be proved.

The mask falls, the man remains, and the hero vanishes.

We take women for what they are not and leave them for what they are.

When a man of forty falls in love with a girl of twenty, it isn't her youth
